* Non-Reporting Agency for 1998 *Crime in Florida* Annual Report.

**New Agency - Established August 1998.

* Percent changes in number and rate should be interpreted with caution. In small jurisdictions with low numbers of crime, a small increase in crime can produce a large percent change. In addition, increases or decreases of 100% may be due to agencies not reporting for the year or previous year or reporting "zero" crimes. When using number or rate changes, it is best to consider the number of crimes actually reported for the year and for the previous year.
